

USGA RULES GOVERN ALL PLAY

- Coquina shell waste areas are considered through the green and should be played as such. Players may ground their clubs in these areas.
- **FIXED SPRINKLER HEADS:** All fixed sprinklers are immovable obstructions and relief from interference by them may be obtained under Rule 24-2. In addition, if a ball lies off the putting green but not in a hazard and such an obstruction on or within two club lengths of the putting green and within two club lengths of the ball intervenes on the line of play between the ball and the hole, player may take relief as follows: The ball shall be lifted and dropped at the nearest point to where the ball lay which (a) is not nearer the hole, (b) avoids such intervention and (c) is not in a hazard or on a putting green. The ball may be cleaned when so lifted.
- **Black Course, Hole #9 & #10:** A player, whose ball comes to rest in the lateral water hazard in front of the green, may, under the penalty of one stroke, drop a ball in the designated Ball Drop located on the front side of #9 and the front tee of #10.
- Please observe proper golf etiquette: rake bunkers, repair ball marks and fill divots with sand provided on golf carts.
- **Alternative to Stroke and Distance for Ball Lost or Out of Bounds (Rule E-5)** - In lieu of stroke and distance, a player whose ball is believed to be lost or out of bounds, may take relief by dropping the original ball or another ball in a relief area (Rule 14.3). The relief area is defined as the area between the point where the ball is estimated to have come to rest or gone out of bounds and the edge of the fairway of the hole being played that is not nearer the hole. **The penalty for utilizing this option is two (2) strokes.**
